

Children under the age of 13

Global Health Link's website is not directed to, and does not knowingly collect personal identifiable information from, children under the age of thirteen (13). If it is determined that such information has been inadvertently collected on anyone under the age of thirteen (13), we shall immediately take the necessary steps to ensure that such information is deleted from our system's database, or in the alternative, that verifiable parental consent is obtained for the use and storage of such information. Anyone under the age of thirteen (13) must seek and obtain parent or guardian permission to use this website.

Unsubscribe or Opt-Out

All users and visitors to our website have the option to discontinue receiving communications from us by way of email or newsletters. To discontinue or unsubscribe from our website please send an email that you wish to unsubscribe to Contact@globalhealthlinkinc.net. If you wish to unsubscribe or opt-out from any third-party websites, you must go to that specific website to unsubscribe or opt-out. Global Health Link will continue to adhere to this Policy with respect to any personal information previously collected.

Links to Other Websites

Our website does contain links to affiliate and other websites. Global Health Link does not claim nor accept responsibility for any privacy policies, practices and/or procedures of other such websites. Therefore, we encourage all users and visitors to be aware when they leave our website and to read the privacy statements of every website that collects personally identifiable information. This Privacy Policy Agreement applies only and solely to the information collected by our website.

Notice to European Union Users

Global Health Link's operations are located primarily in the United States. If you provide information to us, the information will be transferred out of the European Union (EU) and sent to the United States. (The adequacy decision on the EU-US Privacy became operational on August 1, 2016. This framework protects the fundamental rights of anyone in the EU whose personal data is transferred to the United States for commercial purposes. It allows the free transfer of data to companies that are certified in the US under the Privacy Shield.) By providing personal information to us, you are consenting to its storage and use as described in this Policy.

Security

Global Health Link takes precautions to protect your information. When you submit sensitive information via the website, your information is protected both online and offline. Wherever we collect sensitive information (e.g. credit card information), that information is encrypted and transmitted to us in a secure way. You can verify this by looking for a lock icon in the address bar and looking for "https" at the beginning of the address of the webpage.

While we use encryption to protect sensitive information transmitted online, we also protect your information offline. Only employees who need the information to perform a specific job (for example, billing or customer service) are granted access to personally identifiable information. The computers and servers in which we store personally identifiable information are kept in a secure environment. This is all done to prevent any loss, misuse, unauthorized access, disclosure or modification of the user's personal information under our control.

The company also uses Secure Socket Layer (SSL) for authentication and private communications to build users' trust and confidence in the internet and website use by providing simple and secure access and communication of credit card and personal information.

Acceptance of Terms
